

Wi-Fi Smart Plug *LWSP100*

Easily turn on/off your appliance from anywhere in the world by livwize App. You can also set some customized schedules to turn it on/off as per your convenience.

HIGHLIGHTS

- Remote Access: Control devices connected to the Smart Plug wherever you have Internet using the free livwize app on your smartphone.
- Scheduling: Schedule the Smart Plug to automatically power electronics on and off as needed, like setting lights to come on at dusk or turn off at sunrise.
- Away Mode: Turns your devices on and off at different times to give the appearance that someone is home.
- Voice Control: Amazon Alexa & Google Assistant lets you control devices connected to the Smart Plug just using your voice.

FEATURES

- Anytime, Anywhere: The Smart Plugs make it easy to manage your household electronic devices anywhere in the world with a tap of your smartphone.
- Schedule & Timer: Scare off bad guys by setting your lights to turn on and off on a schedule so it seems like you're home when you are actually away. And the count down timer gives you a peace of mind, which automatically switches off the running household appliances as your settings.

COMPATIBILITY

- Amazon Alexa and Google Assistant: You can pair the Smart Plug with Amazon Echo or Google Home for voice control.
- Android & iOS: The free Livwize app lets you run them from any Android (5.0 or higher) or iOS (iOS 9.0 or higher) smartphone.
